

YMCA CAMP KANATA

2020 Registration Frequently Asked Questions

Registration for Camp Kanata's Overnight Camp, Day Camp, and Weekend Camp opens on Thursday, October 10.

Do I have to register immediately on October 10?

Both Overnight and Weekend sessions fill up quickly, so we encourage you to register in a timely manner.

Why was there space when I registered but the session was unavailable when I got to my "cart"?

Camp sessions fill very quickly, and occasionally, some sessions may fill during your registration process. We encourage you to register for a waitlist spot if available or choose a session that is available/open.

Can I register for more than one session?

Yes! You can register to come to Camp as many weeks or weekends as you would like!

What do I do if my child is put on the waitlist?

If the session of your choice says "Waitlisted," we strongly encourage you to sign up for that time anyway. There is continuous movement on the list as we work over the coming months to allow as many children as possible to experience Camp and we will contact you as space becomes available.

The registration fee you pay will keep your name on the waitlist and will be returned in full if we are unable to move your camper into a spot for Summer 2020, or at your request.

While we cannot guarantee your child a spot, we will maintain your waitlisted position up through the first day of that week of Camp.

We will contact you if a spot becomes available for your camper.

Do I have to pay in full when I register?

The deposit for overnight camp sessions is \$100 per session, Day Camp is \$10 per session and Weekend Camps are payable in full at the time of registration.

I'm interested in financial assistance. What's the process?
